Home Groups

Home Groups exist to encourage and enable people to join together in worship, prayer, study, service and for fun and friendship.

Smaller groups meeting during the week, help in getting to know people better than is possible on a Sunday. They are an important, vital and valuable part of what we do as a church.

All of our church family are encouraged to be part of a home group. Do look out for more information which is regularly given as part of our Sunday services, and on the weekly notices available by email.

How do I join a Home Group?

If you would like to join a Home Group, whether new to the church or just not got round to it yet, please contact the Home Group coordinators, David Hodson

dh@davidhodson.com

or Claire Reynolds

claire.reynolds.bmc@gmail.com

or contact the Church Office.

A conversation with David or Claire is a good place to start, so that we can match you up with a group that would be right for you. Some groups have local names for convenience, but anyone is welcome to join wherever they are.

This leaflet gives the times of our groups so that you can see what is available.

Got Questions about Faith?

St Matthias especially welcome peoples new on their faith journey, or who have questions and are just wanting to explore more about Christianity.

We regularly run different short courses, including Alpha. Often the groups that meet on Alpha continue to meet together after the course has finished, as a new home group.

If you are interested in joining a course do contact David, Claire or the church office.
